Greetings PPSREA Members,

It's been quite a journey! When I assumed the role of President of PPSREA in 2021, I didn't anticipate serving beyond a two- year term. Five years later, I'm happy to report that our Association remains steadfast and deeply committed to its mission. In order to serve over 3,000 members, our hard-working officers, committee chairs and committee members, and chapter volunteers, continue to offer fresh ideas of ways to engage members and recruit new members, expand opportunities to enjoy retirement and give support to public schools and the Philadelphia community.

PPSREA exists for its members! This Fall/Winter Edition offers a broad glimpse of the benefits of membership. In September, we travelled to Harrisburg for A Call to Action Rally and held a meeting for 43 Members at Ann's Choice Retirement Community. The October Fall Awards Luncheon Program was interactive and well

attended. More families, friends and school administrators were present to share in this year's award program in an atmosphere reminiscent of a reunion! A special fitness presentation invigorated the audience. The November Veterans Day Celebration, the December Holiday Community Service Projects and our End of the Year Celebration successfully concluded 2024 in a manner that makes us extremely proud. We are mindful of the past! The organizers of PPSREA established a culture of caring. In 2024, we made special efforts to nurture connections with our more senior members. Some centenarians were spotlighted in newsletters. Periodically, goodie packages were delivered to shut in or more senior members. We hope to see you at the Spring Luncheon which is dedicated to recognizing nonagenarians.

Looking Ahead

The theme for 2025 is Kindness : Being Helpful, Considerate and Generous towards others without expecting anything in return. Consider using your unique gifts to serve others. We need leaders! Officers and Directors are elected for a two-year term. This year, all Officers and seven Directors (page 2) have to be elected. The Board of Directors meets the first Thursday of each month except January, July and August. Please consider becoming a leader. In January, the 2025 PPSREA Calendar was mailed to each Life Member and all of the Annual Members whose dues for 2024 were current. We encourage you to participate in events and spread the word about PPSREA to former colleagues and new retirees.

Help Needed

Currently, the PPSREA records include the email addresses for 1,000 out of the 3,000 members on file. Email blasts have proven to be highly effective means of keeping members informed and updated. Please complete and return the demographic form if you're not receiving emails from PPSREA. There's information to share in the months between the two published newsletters.

Whenever you change your home address, phone number or email address, please let us know.

Good News

I encourage you to visit the Pennsylvania Association of School Retirees (PASR) website, at pasr.org. The state chapter sponsors educational zooms on topics of interest to retirees, exciting trips, and additional benefits. PASR also provides information about efforts to protect our pension. A PASR membership application is in this edition. October 5-7, the PASR House of Delegates will convene at Penn State in State College. Representatives from the Philadelphia Chapter will attend.

Thank you for your loyalty to PPSREA. Please let us know how we are doing. Your ideas and suggestions are always welcome.

Appreciatively,
Mamie E. Bryan

What Does It Really Mean to be Kind?

Information from the internet

Kindness doesn't mean ignoring people when they do things that are unkind, wrong, ignorant, racist or discriminatory. It doesn't mean keeping quiet when you disagree with someone about a moral issue. But it does mean treating people with respect.

Sometimes, the kindest, bravest thing we can do is stand up to someone who is being unkind. Doing so causes conflict. It will upset the person we are confronting. A nice person never wants to rock the boat. A kind person knows conflict is possible and acts anyway. A kind person knows they might create waves and they are OK with that.

Sometimes kindness is really easy. It's sharing an unexpected compliment with someone. It's taking the time to remember someone's name and then using it the next time you see them. It's saying, "Thank you," "I appreciate you," "You are valued!" "Are you OK?" It's letting people know that they are noticed, valued and important. It's going a little bit (or a lot) out of your way to make someone's day better. Kindness is caring. It is love. It is understanding.

Kindness is that little voice in your head saying, "That's not right! You should do/say something!" when you witness unkindness, discrimination, bias or ignorance. A kind person listens to that voice and finds the words to step in and stand up. Is that who you really are? If it is, in standing up, we must keep in mind Mahatma Gandhi, when he said, "Be the change you wish to see in the world."

We won't see change and inspire people to think twice about their words and actions by using disrespectful, condescending or hateful words to confront wrongdoing. If we are to inspire change, we must be the change. We must demonstrate how to respond to unkind behavior by ourselves being kind. Standing up with kindness can be firm. It can sometimes be loud. And it can even be hard to hear...because sometimes the truth hurts. But kindness is always respectful.

Kindness is a high moral standard. It is living a life that strives to always do what is right. It is understanding the impact our words and actions have on others (regardless of our intent). Kindness is a constant goal. It is not something to be conquered. Instead, it is a life's work. It is apologizing when we fail and it is committing to do better. Kindness is understanding that we are all human and thus kindness is also forgiving others when they fail at being kind but also being clear that forgiveness comes with an expectation to do better next time.

Kindness isn't always easy. Sometimes it can be messy. Sometimes it can be scary. But it is always the right thing to do.

PPSREA's General Membership Luncheon and Awards Program

Each year, the Philadelphia Public Schools Retired Employees Association (PPSREA) celebrates the many contributions that school retirees, school employees and students make to our schools and the Philadelphia community. At the Fall General Membership Luncheon Awards Program on October 17, 2024, awards were presented to PPSREA members, public school staff and students, and community partners. This luncheon also featured an interactive presentation by Ozzie Wright, an active member who generously supports our Veterans Day and community service activities. Ozzie engaged the audience in a discussion of the health benefits of regular physical activity and demonstrated a variety of movements to improve strength, balance and mobility. The luncheon theme, Movement is Medicine, was highlighted by Bonnie Brown, a retiree who shared her personal experience with recovery through a structured program of exercise. At the end of the presentation, some of the audience joined Ozzie, at the front of the room to emphasize the ways that exercises can be customized for various levels of fitness. Under the leadership of Bettyann Creighton, fitness chairperson, future events to promote wellness are being planned.

AWARDS

The Pride of Philadelphia Award was presented to Jerry Jordan, recently retired PFT President. PPSREA presents this award annually to an individual whose dedication to service has an impact on the community. Jerry spoke proudly of his public school education and various work experiences, and expressed appreciation for the opportunity to serve the Philadelphia community.

Sherry Morris received the PASR John Dillon Award for outstanding service to the state and local chapters of our association. Donna Malkowski received the PASR Volunteer of the Year Award for outstanding service to the Philadelphia community. Both recipients were published in the Spring 2024 edition of the PPSREA Newsletter.

Stanley Fields presented the PASR Educational Support Grant to Mary Creighton, teacher, to help support a Saul High School program to expand the opportunities for students to participate in non traditional sports.

Bonnie Uditsky presented the Laretta Woodson Awards to Katherine Muc, teacher, from the Jenks School and Simone Houser, support professional, from Hartranft School. The Laretta Woodson Award is presented annually to an outstanding educator and support professional for excellence.

The Building Engineer Award was presented to Tim McQuire from Ann Frank School for exemplary performance in his position.

FRANK W. HAUSER'S

THE EIGHTH PRESIDENT OF PPSREA (1979-1981)

Frank W. Hauser, the eighth president of PPSREA (1979-1981) celebrated his 100th birthday during April, 2024. He has served our association in various capacities for over forty-five years. Frank's commitment to serving others was quite evident in his involvement in promoting service programs and continued PPSREA connection.

Frank's School District career began in 1954, several years after he proudly completed Military Service, during World War II, in the Army Air Corps (1943-1946). He was the Principal of the Disston School when he retired in 1984. Always concerned about fairness and the treatment of others, Frank was a staffer for, and very active in, the Commonwealth Association of School Administrators (CASA) and a longtime member of the Pennsylvania Association of School Retirees (PASR).

FRANK HAUSER

Remembering Dr. Stephanie Childs

Dr. Stephanie Childs, a cherished, committed member of PPSREA, passed away recently. She was a hard working member of the Membership and Scholarship Committees and a resource and volunteer for most chapter events. Stephanie led the Invocations at the Association's Board of Directors and General Membership meetings for several years and volunteered to be a Philadelphia Region 11 delegate to the Pennsylvania Association of School Retirees (PASR) Conventions and Meetings of the House of Delegates that convene biannually in various areas of Pennsylvania.

Stephanie was especially proud of our Association's annual scholarship awards to Philadelphia Public School graduates and served as the Scholarship Committee Chair for many years. When she was no longer able to be active, she maintained connections with and interest in the committee's efforts to help students access post secondary education.

Stephanie enjoyed crafts. She created many table centerpieces for events, embellished and personalized cards for members using materials from her personal supplies and gave "surprise" gifts during the holidays. Stephanie was generous when giving positive feedback to chapter leaders and committee members for their efforts to support the association's mission.

Stephanie's legacy includes several things that she talked about First Female Deacon at Bright Hope Baptist, Soror of the Year in Alpha Kappa Alpha- Rho Theta Omega Chapter, and 35 years of service in the School District of Philadelphia.

Her contributions are will be always remembered. We will miss her loyalty and selfless contributions to the organization.
